2 1. Page 1, line 3, after <registry —> by inserting  
3 <informed consent —>

4 2. Page 1, after line 8 by inserting:

5 <\_\_\_\_. a. A health professional required to be licensed  
6 under this chapter who is authorized to administer a  
7 vaccination or immunization and is required to report the  
8 administration of vaccines and immunizations to the statewide  
9 immunization registry shall obtain written informed consent  
10 from a patient, or if the patient is a minor, the patient's  
11 parent or legal guardian, prior to reporting the administration  
12 of the vaccine or immunization to the registry.

13 b. The written informed consent shall also provide the  
14 patient with the option of consenting to the sharing of the  
15 patient's information with any entity with access to the  
16 information contained in the registry.

17 c. The health professional shall submit a copy of the  
18 completed written informed consent form to the registry.

19 d. A patient, or if the patient is a minor, the patient's  
20 parent or legal guardian, may withdraw or amend the written  
21 informed consent at any time. If informed consent is  
22 subsequently withdrawn, the patient's information shall be  
23 deleted from the registry database.

24 e. Only the information regarding the administration of  
25 vaccines or immunizations of a patient from whom written  
26 informed consent has been obtained shall be reported to and  
27 included in the registry.

28 f. No information, report, or record relating to a patient
